Pacific Art Association Plans Workshop Conference May 1

A Pacific Art Association work shop will be held on the San Jose campus Saturday, May 1. Approximately 80 members of the Northern California section of PAA are expected.

Students are welcomed to attend the conference. Registration will take place Saturday morning. The fee is \$1. A barbecue will be

Reed Staff Starts Material Selection

Selection of material for Reed, college literary magazine which goes on sale May 12, is now underway, according to Dr. James Wood, faculty adviser.

Reed, which is in its fifth year as a campus publication, will include stories, essays, poems and some material which has been entered in the Phelan Literary Awards competition.

Selling for 25 cents a copy, the magazine is entirely student written with the editorial work under the auspices of Pegasus, campus English literary society.

Meetings

"30" Club: Meets today at 4:15 p.m. in Spartan Daily office. Short business session.

Delta Phi Delta: Meets tomorrow night, Room A5, 7:30 o'clock.

Student Y: Meets tomorrow night, 7:30 o'clock.

Students: Banquet tickets for Religion-in-Life Week are on sale in Graduate Manager's Office.

Kappa Phi pledges: Meet at First Methodist church tonight at 7:30 o'clock.

Alpha Beta Alpha: Work meeting tomorrow at 3:30 p.m. in front of Student Union.

Wildlife Conservation club: Meets tomorrow night, Room S216, 7 o'clock.

Spartan Spinners: Meet tonight, YWCA, 8 o'clock.

International Relations club: Meets tonight, Room 20, 7:30 o'clock.

Spartan Shields: Rush function tonight, 7 o'clock, 155 S. 11th St.

Veterans Information: J. D. Murchison of California Veterans Educational Assistance program will be in Room 34 from 10 a.m. until noon, Wednesday, to answer questions concerning aid.

Science Movie: 12:30 p.m. in Room S210 today. All students invited.

Thrust & Parry

Education's Base

To Thrust and Parry:

The pyramid, for its strength, relies on a broad base placed on top of the ground. Brought together without any biding material, the massive blocks are held in place by their weight alone. The enclosed spaces are small and the resulting structure provides very little height considering the tremendous amount of building material involved. It is safe, however; you can't fall very far from a pyramid.

The skyscraper utilizes the great strength of a central skeleton of steel. Firmly grounded on bedrock, with each section welded to the preceding level, the whole structure becomes an integrated unit reaching up to breath-taking heights.

The steel framework permits large glass areas and balconies to be cantilevered out to catch desirable exposures of sun, breeze or view. The resident of the skyscraper may work far above the ground level and he shares the viewpoints of dwellers in other skyscrapers.

Some persons feel that education should be like a pyramid with a broad footing of basic subjects. Such a program provides exposure to knowledge in a variety of fields, but makes it difficult to obtain competence in any one field. With a given amount of time and a stipulated base area, the height reached is limited.

The skyscraper approach incorporates a rigorous discipline of building upward, with each course utilizing to the fullest the progress made in preceding study.

It forces the student to become skilled; it exercises his mental processes on the highest possible level. His extensive knowledge in one field permits him to appreciate accomplishments in other fields.

RALPH J. SMITH
with an acknowledgement to
Dr. Joel Hildebrand

Placement Names School Interviews

Modesto high and elementary school administrators will be here tomorrow to interview teacher candidates. Elementary and secondary credentials are required, announced Doris Robinson, director of teacher placement.

French teachers are wanted by the Los Angeles City Schools. Examinations will be held on May 22, and applications must be filed by April 30.

Applications can also be filed in the Placement Office for machine shop teaching positions.

Tau Gamma Group To Hold Initiation

Tau Gamma, physical education and recreation honor society, will initiate new members Thursday, April 29, according to Pat Appel, reporter.

Jean Aitkens and Patricia Ramsey will become members at the meeting-initiation, to be held at Jean Johnson's home. Cars will meet in front of the Women's Gym 7:15 p.m. Thursday.

All those requiring transportation are requested to sign up immediately.

The wholesale value of motor vehicles produced in 1953 was estimated at \$9,000,000,000.

Stage Design Contest To Offer Prize Money

Fifty dollars will be awarded to the student who produces the best portfolio of designs in the third annual competition in Stage Design, J. Wendell Johnson, stage design instructor, said yesterday.

Designs must be drawn for plays selected from the following list: Everyman, The Rivals, Tar-tuffe, R. U. R., Don Juan, The Tempest, The Emperor's New Clothes, The Pirates of Penzance, The Skin Of Our Teeth.

The Streets of New York, The Scheherazade, Dream Girl, The Adding Machine, The Cherry Orchard, Peer Gynt, Beggar on Horseback, Kiss Me, Kate, The Life of Man, or any other significant dramatic work acceptable to the contest committee.

Designs may be for stage scenery, costumes, or both. Stage scenery designs should be presented as color sketches and

accompanied by floor plans and technical drawings made to scale.

Costume designs should be accompanied by fabric swatches and notes on cutting and construction. Each character of the play must be presented, and a representative member of crowd. Normal figures should be used; avoid fashion proportions.

Designs for both costumes and settings may be submitted without technical drawings or notes.

All plates must be uniform in size (12"x18") and executed with neatness, suitable for exhibit purposes. Any medium may be used. Designs based on class projects will be acceptable. Portfolios will be due Friday noon, May 28, in B5.

The time of the judging, the judges, and the place of the exhibit will be announced later in the Spartan Daily. For additional information concerning the nature of the drawings or bibliographical materials see Miss Bernice Prisk in B42 or J. Wendell Johnson in B5.

Johnson stressed that lack of technical knowledge in stage design should not deter students from entering the contest. Either Miss Prisk or Johnson will be available for advice and consultation.

German Club Sees Visitors

The German club will meet in front of the Student Union, 7 p.m. Thursday, April 29, according to Wolf-Dieter Schulz, secretary.

"It is hoped that several members of the group from Mainz will be able to participate in the meeting activities," Schulz said.

Last Thursday, an informal meeting took place with members of the German action team from Mainz, Germany, visiting SJS.

Dr. Theodore S. Verhaaren, faculty adviser, led a picnic excursion to Big Basin last week, replacing a regular meeting. Dr. Presilla, a Spanish instructor, attended the picnic as a guest.

By JOE BRYAN

PRaise FOR BRONZAN

Bill Leiser, a columnist for a rival paper, had some words of praise to heap on Football Coach Bob Bronzan this week. The praise was a direct quote from Frank Leahy, retired Notre Dame mentor. Frank said that Bob "is a great young coach and that if he had remained at Notre Dame he would have tried to lure Bob to the East." This got us to wondering if any other schools were trying to lure the personable Bob away. When we asked him, he said, "There's nothing on the fire."

JOKES INCORPORATED

We have resisted an impulse to call Quarterback Dick Erickson "Bud" ever since we saw him. Now, after hearing him tell bum jokes for 600 miles—to Fresno and back with the track team—we don't care and as far as we're concerned he's "Bud." Bud, according to members of the basketball team, has a rival in the bum joke department. He's Tor Hanson of Coach Walt McPherson's quintet. If anybody promotes a contest between the two, we hope they don't ask us to judge it, if Tor's half as bad as "Bud."

FRESNO FUROR

We became involved in a slight altercation at Fresno, Carroll Williams won the high jump, but it appeared for a while that he was not going to get credit for jumping over his head. Here's our version of what happened. Carroll won the high jump and kept going after the other contestants dropped out. He cleared the bar four inches higher than his closest competitor. When he finally missed, the bar was reduced to his winning height. He stood under the bar and held the tape while the official measured it. "5'8", said the official. "I'm 5'10 and it's over my head," said Carroll. "5'8", said the official. We walked under the bar and pointed out that we are an inch taller than Carroll. "5'8", said the official. Coach Bud Winter walked by and he's taller than we are. We decided not to loan the official our glasses, but we're recording Carroll's jump at 6 feet and three-fourths inches.

Four possible degrees are now conferred by State: the Bachelor of Arts, Science (in Engineering), Education and Master of Arts. Twenty teaching or administrative credentials are authorized.

Spartan Judo Team Captures Third at Meet

By JERRY GANDY

Coach Yosh Uchida's Varsity judo team finished third in the PAAU tournament at Palo Alto Sunday after scoring five points in the 15-team tourney.

The San Francisco Judo club lived up to pre-tourney expectations and scored 14 points to cop top honors, while the San Jose Buddhist Church garnered eight points for second place.

Al Cadena, a third degree brown belt holder, came up from the junior varsity to pace the Spartans. Cadena faced eight men, including five black belts, and lost only to Mitz Kimura of the Bay City team. Kimura, the tourney champion, drew with the San Jose entrant in the heavyweight class and won on a decision.

Don Edwards also made a good showing for the Spartans in the 180-pound division, facing eight men and losing only to San Francisco's Vince LaRot, the winner of the class.

JAYVEES WIN

In a Friday night meet at Spartan gym the Junior Varsity judoists turned back Santa Rosa Junior College, 7-0. John Borge of the Spartans was held to a draw by Chet McGee of the Bearcats, while the other seven SJS entrants scored wins.

Spartan winners were Cadena over Vic Glem, Fred Oplencia over Irvin Konoshima, Larry Meek over Stan Asanama, John Nicholson over Chuck Steakes, Ray Obierne over Lou Propes, Glen Carroll over Bill Dougherty, and Bob Smith over Roy Yamashita.

In a round robin after the team matches, Mario Alberti threw McGee and John Persta defeated Dougherty for two individual Spartan wins.

Vic Brannon drew with Propes, Max Phillips drew with Steakes, and Jack Marlow drew with Asanama in the other three round robin matches.

Ron Green, Lopes Lead 'Title' Chase; Linemen Improve

End Mervin Lopes, the veteran from Honolulu, continued to lead the pack for the "Mr. Downfield" title after Friday's scrimmage. Lopes has accumulated a total of 114 points.

Closest competitor to the "mid-get" end is another wingman, Leon O'Neill. O'Neill has totaled 88 points. Others in contention are Tackle Jack Crawford with 52 points, and Guard Tom Powers and Center Jerry Ruse with 47 each.

Guard Ron Green is tied with Guard Bob Bashford for the "Mr. Pass Protector" title. Each has a .950 average. Next in line is Crawford with .938. Guard Stan Galas, Thursday's leader, is fourth with .925 and Center Tom Yagi trails with .917.

Assistant Coach Bill Perry singled out some linemen for special praise yesterday. He named Bashford, Jim Davis and Jim Hughes as pleasant surprises at guard. Bob Arends, a holdover end, was praised for his improvement and nods were given Ends Dick Forester and Ed Gutzman for aggressiveness. Also praised for his aggressiveness was Center John Perkins. Tackles Jack Adams, Jim Nagawa and Bob Ramsey were applauded. Al Severino from last year's Frosh was a pleasant surprise, Perry said.

Backfield Coach Gene Menges stated that the Golden Raiders have three backfields that are almost equal in caliber. He refused to give the edge to any one of them. Fullbacks catching the coach's eye were Herman Stokes, Dave Fanner, Joe Ulm and Jerry Clement.

Clive Bullian, Roy Hiram, Al Brown and Bill Beaseley are battling for the left half starting post with little to choose between them, according to Menges.

Pat Hiram, the only holdover right half, is having to battle off Fred Delgadillo from Monterey Peninsula College and Melvin Soong, a transfer from Denver University.

Quarterback Benny Pierce is contending with "Bud" Erickson, Tony Teresa and Hoby Mervin. Menges reports that Mervin is an excellent passer.

Sportslights

By BETTY BENNETT

Tickets for the WAA-AWS barbecue slated for May 5 are on sale this week in the patio of the Women's gym and at the Library Arch. Pat Ramsey, co-chairman, announced that in addition to good food, there will be entertainment, swimming, ping pong, and volleyball games. Tickets are 50 cents.

Bobbie Hoepner, riding manager, reported that girls planning to go riding Wednesdays must sign up in the Women's gym Monday or Tuesday. Cars leave the gym at 4:10 Wednesday afternoons.

A lounge is being planned for the Women's gym. Room 19 will contain new furniture, a ping pong table, and other recreational facilities.

An Aviation Workshop class will be given August 9 to 20 this summer. It will consist of lectures, field trips, study and conferences on aviation subjects. Three units will be given for the full-day sessions.

SPARTAN DAILY 3

Doug Boehner To Hurl Today At Sacramento

Doug Boehner will start on the mound for the Spartan varsity baseball team when it invades the capital city for a tilt with Sacramento State today at 3 p.m.

Boehner, author of a two-win three-loss record so far this season, has a 3.82 earned run average in the six games in which he has appeared.

The ailing Don Visconti was termed a doubtful starter for tomorrow's game. Visconti missed classes yesterday due to a virus ailment. He is pacing the Spartan hitters to date with a .383 batting average.

Dick Brady, recently awakened from a hitting slump, took over the second spot in the batting race with a .338 average. Ron Walters dropped to third with .313. Mal Leal is fourth with .277.

Boehner will be trying for his third straight win and the Golden Raiders' fifth straight triumph. The Spartans have a .249 team batting average in 15 games, to their opponents' .210.

Fielding, although falling into occasional lapses, is generally outstanding on the Spartan club. State fielders have gone through 17 innings without an error and delivered four double plays in the first game with College of the Pacific Saturday.

John Oldham leads every pitching department for the Spartan club. Oldham has appeared in the most games, 10; started the most games, nine; completed the most games, seven; pitched the most innings, 80 1/3; given up 25 runs, 41 hits and 59 walks; struck out 110; pitched three shutouts; won six games straight; and has the lowest earned run average, 1.79.

The rest of the Spartans' lineup will be Shruder Willet or Leal catching, Brady at first base, Ron Palma or Ron Kauffman at second, Lou Gambello or Bill Pitcher at third, Jack Richards at shortstop, and Bill Anderson, Walters and Visconti or Jim Coalter in the outfield.

Frosh, Stars Vie

Fifteen SJS frosh tracksters will compete with the Santa Clara Valley Athletic League All-Stars today at 4 p.m. on the Campbell High School oval, according to Coach Bob McMullen.

The McMullenmen will be trying to bounce back from a 75-55 loss sustained at Santa Rosa JC last Friday. SJS's Billy Jo Wright will try to break his own 49-ft. 9-in. record in the shot put, which he set against SRJC.

Cresap Names Monday For State-Local Exam

All students should have signed by Friday for the California state and local examination to be given Monday, according to Dr. Dean R. Cresap, assistant professor of social science.

Students may sign up outside the Registrar's Office for the test. An IBM form 444 and an IBM pencil are required for the test to be given Monday at 3:30 p.m. in the Morris Dailey auditorium, Dr. Cresap says.

The test is on the book "How California Is Governed" by Walker and Cove.

The state law requires that all students must pass a course in California state and local govern-

ment to qualify for graduation. However, students who have not taken such a course may satisfy the requirement by passing the examination, Dr. Cresap says.

"This may be the last time that students can satisfy the requirement by just taking the examination," Dr. Cresap stresses.

Faculty Club Plans Supper

Members of the SJS Women's Faculty club will have a potluck supper at 6:00 p.m. April 29. The ladies will meet at the home of Mrs. Jean Lees, president of the organization, at 372 Gordon Ave.

Reservations for the supper will remain open until Tuesday afternoon. A business meeting will follow the meal. The committee in charge of arrangements are Mrs. Helen Smith, Mrs. M. F. Morgan, Dr. Dorothy Kaucher, and Dean Helen Dimmick.

Vet Representative Here Tomorrow

Veterans attending San Jose State under the California Assistance program are reminded that a representative will be on campus from 10 a.m. to noon Wednesday to answer their questions concerning aid.

According to the Accounting office, J. D. Murchison will be in Room 34 those hours.

See McCarthy

Students will be able to see the current McCarthy hearings being broadcast over TV channel 4 on the Student Union television set.

The television set is turned off during the day except for special programs, Miller said.

The hearings start at 11:30 o'clock each morning.

Spears Hold Quarter Sale

Did you loose anything last quarter? If you did, you'd better check at the Spartan Spears rummage sale today. You can get your belongings back for a price. Shirts, coats, gloves and all the articles for sale are from the lost and found department of the Information Office.

The sale will be held outside Morris Dailey auditorium.

Spartan Spears, sophomore women's honorary society, will send all proceeds of the sale to the World University Service.

Home Ec Display Is on Accessories

Accessories to be worn with blouses and skirts are on display in room H14. The display was arranged by Barbara Smith, as a project in methods of teaching home economics.

It is an example of a display-case that might be arranged for a seventh grade sewing class to stimulate interest in accessories. Included in the display are collars, necklaces, pearls, decorated ribbons, scarfs and fur pieces.

La Torre To Feature Late Sports Coverage

The ink will hardly be dry on some material to be included in the athletics section of the 1953-1954 La Torre yearbook.

La Torre photographers and reporters will work up to the last minute covering all major sports events through the end of this quarter, according to Don Gordon, athletics section editor.

"We plan to give the students a well rounded sports picture of the 1953-1954 season," Gordon commented.

"Shots of outstanding athletics in all Spartan sports, records broken this year, new prospects and pictures of all the coaches are a few of the items we've planned for this section," Gordon said.

A full page in this section will be devoted to the memory of De-

Witt A. Portal, first head boxing coach at SJS.

La Torres are still on sale at the Graduate Manager's Office for \$6. or \$3 will reserve a copy, he added.

To Return in May

Dr. Janice Carlin, women's physical education instructor, is expected back at work in the early part of May. Dr. Carlin recently returned home after being hospitalized.

When You Join

The "Men Who Measure" . . .

When you leave school as an engineer and join the ranks of the "men who measure," you'll want the most accurate and durable measuring tapes. Lufkin Chrome Clad Tapes ARE the most accurate and durable because their markings are bonded to the line and protected by multiple platings of metal that also protect the fine steel in the line. This all-metal line is longest wearing — it won't crack, chip, peel — is easiest to keep clean — is most rust and corrosion resistant. Chrome Clad Tapes are the choice of engineers the world over.

Whether you're running a survey, building a bridge or a building, railroading, road building, mining or drilling — there's a Lufkin measuring tape exactly right for the job.

Specify Lufkin when you get out on the job — send today for our free catalog.
